There shall be no "Any other business" item on the Agenda.

RULES

1. The games under the League shall be played according to the rules of the Scottish Table Tennis Association.

All tables in the League must conform to the standard laid down by the Scottish Table Tennis Association regarding size of table and the required bounce of the ball on the playing surface.

The size being 274 centimetres (9ft) length x 152.5 centimetres (5ft) width. The upper surface being 76 centimetres (2ft.6ins) above the floor yielding a uniform bounce of not less than 22 centimetres (8.3ins) and not more than 25 centimetres (9.75ins) when a standard ball is dropped from a height of 30.5 centimetres (12ins).

2. The League shall be open to such Clubs in Edinburgh and Lothians as the Committee may decide. A Club may enter more than one team in the League but each team so entered must pay in advance an Annual Subscription to be determined at the Annual General Meeting of the League, plus such fees as are payable to the Scottish Table Tennis Association.
3. All players must be registered members of the Club for which they play. All players must be registered with the Scottish Table Tennis Association at least 24 hours before playing in any match. Should any team play a non-registered player then all games won by that team, in the match in question, shall be void and will be awarded to the opposing team.
4. No team shall play in any match until all fees have been paid. Any team failing to comply with this rule shall forfeit that match.
5. Except with the permission of the League Committee no player shall play in more than one League, or for more than one Club in the League in the same season.
6. Any Club entering more than one team in the League should register their three strongest players in the first team, their next three strongest players in the second team, and so on in order of playing strength for all teams. The Committee shall have the power to refuse the registration of any player where his playing strength warrants him playing for a higher team. No player shall be allowed to play for a lower than the one for which he or she is registered, but may play for a higher team, having played a TOTAL of six matches with a higher team or teams in League matches other than the one for which he is registered, shall then only be eligible to play for the highest team played for during these matches.

Any player joining a Club after initial registrations have been submitted should be registered for the team most suited to his playing strength.

Any Club wishing to relegate a player or players to a lower team must apply to the Committee to do so.

Any Club wishing to register a player in a lower team than his/her strength warrants, shall apply to the Committee giving reasons for special consideration. If permission granted, the said player will not be allowed to play for a higher team as covered in the preceding paragraph.

7. (a) When entries are made to the League a home night for each team will be specified. A fixture list based on this information will be compiled and included in the Handbook.
- (b) A copy of the Handbook will be supplied to each player on registration. A fee to cover cost will be charged.
8. (a) A match is played between two sides of three players each, and consists of 9 games (best of three sets), each player playing every opponent. One (1) Point will be awarded for a win. Prior to the commencement of each match the names of the players of the Home Team shall be inserted on the Match Score-card by the Captain of the Home Team and thereafter the names of the players of the Away Team shall be inserted by the Captain of the Away Team. The order of play shall be as printed on the Match Score-card.
- (b) All matches should start at 7.30p.m. unless by special agreement. Any player not ready to play within half an hour of the scheduled start of the match may forfeit all games in that match.
- (c) The Home Club is responsible for posting the result on the addressed score card to reach the Honorary Match Secretary not later than seven days after the date of the match specified in the handbook. If the Match Secretary does not receive a result within the above period (except in the event of a postponement having been granted in terms of the immediately succeeding sub-paragraph) the HOME CLUB will be fined, the amount to be fixed at the A.G.M. The Fine for season 1977-78 ... 20p.

A team may not postpone a match except with the prior consent of the other team and the Match Secretary, such consents to be obtained not later than three days prior to the scheduled date of the match. Failure to obtain the agreement of the Match Secretary will result in the offending Club being fined. Fine fixed at the A.G.M. for season 1977-78 50p. The home team shall notify the Match Secretary of the revised date which must be within fourteen days of the original match date. Exception to this Rule shall only be at the discretion of the Match Secretary. In the event of a revised date not having been agreed upon the match will be awarded against the team requesting the postponement. All complaints and disputes will be made to the Match Secretary.

9. Each Club shall pay in advance a deposit of £2, returnable at the end of the Season provided the Club has fulfilled all its fixtures to the satisfaction of the Committee. A serious view will be taken of the non-appearance of a team, when either insufficient or no notice has been given to their opponents. Such offences will be punished by a fine as under:-

First Offence - £1.00, Second Offence - £2, Third
Offence - suspension of team from League for remainder
of Season.

10. A fine of 25p will be imposed on any Club found guilty of ungentlemanly conduct.
11. A Club having more than one team will require to replace their deposit of £2 within one month, if the previous deposit of £2 has been lost. Failure to comply with this rule will lead to the Club being suspended.
12. No player or Club in membership of the League shall, without the consent of the Committee, participate in any match, exhibition or otherwise which is undertaken by any person or persons for the purpose of financial gain. Likewise, no player or Club in membership of the League shall, without the consent of the Committee, accept any payment for participating in any match either by way of a fee or expense.
13. (a) Each Division of the League will consist of one Section of not more than twelve teams.
(b) At the end of each season promotion and relegation will be effected as follows:-
1st Division: Bottom two teams will be relegated to 2nd Division. Other Divisions: Top two teams will be promoted to a higher Division, and the bottom two teams will be relegated to a lower Division.
In the event of ties, games won and lost will be considered.
14. The Constitution and Rules shall only be capable of being altered, added to, or amended on Notice being given to the League Secretary of any proposed alteration not later than the end of March, which notice shall give in detail any proposed alteration, addition or amendment. A motion to alter, amend or add to the Constitution and Rules must be carried at the Annual General Meeting by a majority of at least two-thirds of those present and voting at the meeting.

ADVICE TO SECRETARIES

The League Committee are always willing to be of assistance to your Club. You are requested to make yourself familiar with the Rules, but do not hesitate to seek the advice of a Committee member if you are in doubt on any point.

Always answer correspondence promptly. Make sure that information passed to you by the Committee is relayed to your members quickly.

Ensure that your playing conditions are of an acceptable standard, i.e. replace all faulty light bulbs, spectators seating placed well clear of court etc. Use a new approved ball at the start of every match. Check net height, and have a net measure available.

Your attention is drawn particularly to the rules governing the night that a fixture should be played. Rule 7 & 8. There has been some controversy over the interpretation of Rule 8b. It is the right of the opposing team to decide whether the latecomer be allowed to play, on his arrival; once the player has completed games the issue will not then be discussed. As a matter of courtesy if you are forewarned one of your players may be late, a telephone call to ascertain whether the opposition will have any objection to this could save frayed temper and bad feeling.

Provide adequate changing facilities for your visitors. Finish the match with refreshments; if, as the visiting team, you do not intend to stay for these refreshments, please inform the home team secretary at least one day in advance.

If there is any change in the details printed in this Handbook, which affect any of your teams, it is your duty to notify, in writing, all the club secretaries in the division concerned. You must also advise the Honorary Match Secretary without delay.
