ADVICE TO SECRETARIES :::

The League Committee is always willing to be of assistance to your Club. You are requested to make yourself familiar with the Rules, but do not hesitate to seek advice of the Committee Member if you are in doubt on any point.

Always answer correspondence promptly. Make sure the information passed on to you by the Committee is relayed to your Members.

Ensure that your Playing Conditions are of an acceptable standard, e.g. replace faulty lamps; spectators seating placed well clear of the Playing Area, etc., etc.. Use a new Approved Ball at the start of every Match. Check Net Height, have a Net Measure available.

Your attention is drawn particularly to the Rules governing the Night the Fixture should be played, (Rules 7 & 8). There has been some controversy over Rule 8(B). It is the right of the Opposing Team to decide whether Latecomers be allowed to Play, on his Arrival; once the Player has completed games, the issue will not be discussed. As a matter of Courtesy, if you are forewarned one of your Players may be late, a Telephone Call to ascertain whether the Opposition will have any objections to this could save frayed temper and bad feeling.

Provide adequate Changing facilities for your Visitors. Finish the Match with refreshments; if, as the Visiting Team you do not intend staying for these Refreshments, please inform the Home Secretary at least a day in advance.

It is anticipated that Club Officials will advise their Members of their Mode of Behaviour during a Match.

If there is any change in the details in this handbook which effect any of your team, it is your duty to notify, in writing, all the Club Secretaries in the Division concerned. You must also advise the Match Secretary without delay.
